WORLD'S SERIES OPENS SATURDAY BETWEEN BOSTON AMERICANS AND BROOKLYN NATIONALS AT BOSTON

Major League Ball Approaches Zenith of Its Epoch Making Season—Many Thousands Clamor for Seats.

BEST FOUR OUT OF SEVEN GAMES DECIDES

First Two Games Will Be at Boston, Next Two at Brooklyn, Then Alternately—No Game Set for Sunday.

(By Review Leased Wire.)
NEW YORK, Oct. 3.—The Boston American league club and the Brooklyn Nationals will meet in the 1916 world's series, the opening game of which will be played on Braves Field at Boston next Saturday, October 7.

The teams will remain in Boston over Sunday and play the second game of the series there on Monday, October 9, after which they will return to Brooklyn for two games at Ebbets Field on Tuesday and Wednesday, October 10 and 11. The fifth and sixth games, if necessary, will be played on Thursday, October 12, and Friday, October 13, at Boston and Brooklyn.

Should a seventh game be necessary the location of the contest will be decided by the tossing of a coin.

Brooklyn Victory Surprise
All of these details were arranged by the National Baseball Commission this afternoon. The winner of the National pennant was not known at that time, and the same dates that applied to Brooklyn also applied to the Philadelphia's before tonight, however, the victory of Brooklyn over New York and the double defeat administered to the Philadelphia Nationals by Boston clinched the pennant for the Brooklyn players.

Originally it was intended to hold the national commission conference here today but later it was decided to defer it until tomorrow. President John K. Tener of the National league and Chairman Garry Hermann of the commission, arrived in this city last night, but President B. B. Johnson of the American league was not expected until tomorrow.

When Johnson appeared early this morning there was a hurried consultation at which it was decided to hold the meeting as originally scheduled. Presidents C. H. Ebbets of the Brooklyn club, W. F. Baker of the Philadelphia club of the National league, whose teams were still fighting for the pennant, and President J. J. Lannin of the Boston Americans, were hurriedly summoned and the commission went into session shortly before noon.

Opens On Braves' Field
President Lannin suggested that the series be opened at the park of the Boston Nationals, where the Americans will stake all their home games owing to its immense seating capacity, instead of deciding the place of the initial games by the customary toss of a coin. This plan was adopted in view of the fact that both the Brooklyn and Philadelphia clubs would require several days in which to install additional seats and boxes to accommodate the large crowds.

President Baker proposed that this series begin Monday, October 9, but this was vetoed by the commission as being an unnecessary delay as was the suggestion that the play start on Friday, October 6, on the grounds that the National league winner required a day or two of rest before being flung into the world's series against the Boston team, who clinched their league pennant two days ago.

FAIRBANKS AT SAN DIEGO

SAN DIEGO, Oct. 3.—Charles Warren Fairbanks, Republican nominee for vice president, was greeted by a large throng here today when he spoke at the Panama California International Exposition. His speech was warmly applauded.

The nominee's speech was in the nature of an exposition of the Republican doctrine of protective tariff and a comparison of the combined address of McKinley, Roosevelt and Taft against the Wilson administration.

World Series, Play By Play, Will Be Announced In Front of the Review, Ten Seconds After It Is Made On Diamond

The major league season came to a sudden and dramatic close yesterday and with its closing, rose the names of two master teams in the baseball firmament, one of them destined to be hailed in a few short days as the greatest baseball aggregation the world has ever seen.

Several days have passed now since the Boston Red Sox were conceded to be the American league champions, but it remained for yesterday to seal the fortunes of the Brooklyn Nationals over the Philadelphia Phillies, their chief runners-up.

This was done when the Brooklyn nosed out a victory from New York, while the Phillies dropped two to the Boston Braves, leaving two and a half games difference between the two. As today's games are the last on the calendar, Brooklyn cannot fail to be the National's leaders.

REVIEW, BULLETINS.

Saturday, at a time reckoned in Bisbee at about noon, the two league champions will clash on the Braves' Field at Boston for the first of a series of seven games for the pennant. The winner of four of the seven will claim the pennant.

The Review, believing the baseball fans of the Warren District are anxious to follow the games as closely as possible, has arranged for a report by wire of the game by plays. This service will permit fans in Bisbee to have each play ten seconds after it is executed on the diamond, and will be announced by bulletin and megaphone in front of The Review office.

STARTS ABOUT NOON.

This service will continue throughout the series, and fans who wish to follow the game from the first ball pitched, should be in front of The Review office about 12 o'clock each noon.

VILLA'S SAINT'S DAY TODAY;
MAY COMMEMORATE WITH
ATTACK ON CHIHUAHUA
EL PASO, Oct. 3.—Tomorrow is Francisco Villa's saint's day and many Mexicans in Juarez and El Paso believe he will carry out his reported threat to take Parral, Chihuahua City and Juarez. San Francisco Day. Military officers in Juarez, however, are not taking any extra precautions, as there are no Villistas in the border zone, they say.

HOLLWEG TALK UNPOPULAR

LONDON, Oct. 3.—Telegraphing from Amsterdam, the correspondent of the Central News says: "It is generally believed that the postponement of the Reichstag is due to dissatisfaction with the speech of Dr. von Bethmann-Hollweg. In the meantime strenuous efforts will be made to reconcile the people to the chancellor's policy."

"A public mass meeting at Frankfurt adopted a resolution in favor of an early peace."

GERMANS RAISE OVER TWO BILLIONS MORE

BERLIN, Oct. 2 (via London, Oct. 3).—Unofficial forecasts of the amount of subscriptions to the fifth German war loan indicate that it will exceed the total of the preceding loan. An investigation by the Reichbank some days ago showed total subscriptions at that time of more than 9,000,000,000 marks. The subscription closes on October 5.

IOWA WITCH STARTS SLANDER; SENATOR SUES FOR \$250,000

(By Review Leased Wire.)

VILLISCA, Iowa, Oct. 3.—State Senator F. F. Jones today served notice on nine persons, eight of them friends and neighbors for a quarter of a century, that he would seek to collect \$250,000 from each because they were influenced to believe, so he says, from an idle remark of an irresponsible fortune teller, that he was guilty of murder.

The suits for a total of a quarter of a million dollars will allege that the nine persons, all but one of them old residents of this county, sought to hold Jones responsible for the eight Villisca axe murders of June 9, 1912, in the home of J. B. Moore, Jones' business competitor.

"Some clairvoyant had made the silly statement that Moore's murderer

U. S. STARTS BIG CAMPAIGN TO RELIEVE SYRIA

President Sets Aside October 21 and 22 as Relief Days—120,000 Churches To Aid Movement.

(By Review Leased Wire.)

WASHINGTON, Oct. 3.—The greatest American relief campaign to be undertaken since the organization of the Belgium relief commission, was begun today by the American committee for Armenian and Syrian Relief.

An exhaustive summary of the whole Armenian and Syrian situation was made public and will be sent to ministers of 120,000 churches all over the country and to the leading charity and relief organizations.

The state department, through urgent negotiations, recently secured Turkey's consent to extension of American relief provided jointly by the Red Cross and the Turkish Red Crescent. Today it was announced that the allied blockade had been lifted to allow passage of the supplies. October 21 and 22 have been set aside by proclamation by President Wilson as relief days.

"It is hopeful," Mr. Taft said, "because it shows a convincing way that the thought of England's statesmen and leaders of opinion are turning toward the future. That they are anxiously anticipating what can be done after the war to prevent a recurrence of such a calamity as England is now enduring. The thought is turning more and more definitely to America as the hope of the world, and this may be due in no small degree to the propaganda carried on by the league to enforce peace."

Senator Jones charged that Detective John Wilkerson, a Kansas City private detective, W. H. Willett, farmer; Ross R. Moore, Halge druggist; W. J. Ewing, Presbyterian pastor, and W. W. Arnold, J. L. Gourley, A. T. Northrup, A. Silverthorn and L. Z. Bneton conspired to impute to him the motive spirit and financing the murders. All are prominent.

WHOLE JAPANESE CABINET RESIGNS.

TOKIO, Oct. 4.—Count Okuma, prime minister of Japan, resigned today owing to his advanced age. The members of the cabinet also tendered their resignations to the emperor.

BORDER PATROL ISSUE BLOCKS U. S.-MEXICO PARLEY

Members Are Unable to Agree—Americans Also Ask for Better Treatment of Mining Men in Mexico.

(By Review Leased Wire.)

ATLANTIC CITY, N. J., Oct. 3.—What they regard as an equitable schedule of taxes was submitted to the Mexican members of the Mexican American joint commission today by the committee representing American mining interests in the southern republic. For two hours they were in conference with Luis Cabrera, head of the Mexican commission and minister of finance of his country, and Alberto Pani, another member who is director general of the National Railways.

No assurances were given the mining men that their schedule would be adopted but it is understood that it would be submitted to the Carranza government. The question of transportation was discussed and the protest was reiterated against what the mining men consider confiscatory tax decrees.

Mining Must Resume

The American members of the commission also conferred again with the mining men's representatives. After their conference the American commissioners issued a statement which said that if satisfactory arrangements can be reached with reference to the matters, especially the resumption of mining activities, improved conditions in Mexico can be definitely expected.

Such resumption would be distinctly beneficial to furnishing employment to Mexican labor, it was said and also would be a source of immediate revenue to the Mexican government. The necessary prerequisite to such a plan would be the return to Mexico of American mining operators who have withdrawn during the recent crisis between the two governments, it was pointed out, but until satisfactory assurances are given as to the safety of the lives and property of the operators, no resumption can be expected on a large scale.

Border Patrol Unsettled
Of the Mexicans' proposed plan for border control, the commission was unable to agree.

TAFT PEACE PLAN PLEASES ENGLAND

See in America, Hope for Permanent Peace for Future, He Says.

(By Review Leased Wire.)

NEW YORK, Oct. 3.—That England appears to be coming definitely around to the plan proposed by the American league to enforce peace at the convention to be held here after the war was the opinion of William H. Taft, president of the league. This belief, Mr. Taft said tonight, is based upon the utterances of Viscount Bryce, the former British ambassador at Washington. He termed Viscount Bryce's statement one "of the most hopeful things that has happened in the last two years."

"It is hopeful," Mr. Taft said, "because it shows a convincing way that the thought of England's statesmen and leaders of opinion are turning toward the future. That they are anxiously anticipating what can be done after the war to prevent a recurrence of such a calamity as England is now enduring. The thought is turning more and more definitely to America as the hope of the world, and this may be due in no small degree to the propaganda carried on by the league to enforce peace."

LEVINSKY AND CHRISTIE GO EIGHT ROUNDS TO DRAW

MEMPHIS, Tenn., Oct. 3.—Batling Levinsky of New York claimant to the light heavy weight title, and Gus Christie of Milwaukee fought eight fast rounds tonight to a draw.

T. R. AND TAFT SAY HOWDY AT HUGHES' PARTY

Greet Each Other at New York Reception as Though Ill Feeling Had Passed, but Separate Quickly.

SMOLDERING FIRES STILLED FOR MOMENT

Line Up on Each Side of Hughes to Welcome Guests, Later Both Make Speeches for Mutual Friend.

(By Review Leased Wire.)

NEW YORK, Oct. 3.—Theodore Roosevelt and Wm. H. Taft clasped hands for a moment tonight at the Union League Club reception to Chas. E. Hughes.

"How do you do?" said Mr. Taft. "How do you do?" Mr. Roosevelt responded.

Greeting Brief
Each bowed and Mr. Roosevelt passed on to shake hands with other guests, leaving Mr. Taft to greet those who followed. A few moments later, Mr. Roosevelt took his place in the receiving line. He stood between Mr. Hughes and Chauncey M. Depew. Just the other side of Mr. Hughes stood Mr. Taft.

Avoid Each Other
Thus, standing in the same receiving line, they shook hands with the hundreds of club members and their guests who filed past during the evening. They did not meet again, however, or exchange any other word than commonplace greeting.

"We shook hands," Mr. Taft said afterward, "just like any gentlemen would shake hands."

T. R. Silent
Colonel Roosevelt declined to comment on the meeting.

After the hand shaking was over and the line was cleared, Elihu Root, the president of the club, escorted Mr. Hughes through a flag-draped door to a small platform in the main club room. Beneath a life size picture of Abraham Lincoln, Mr. Root again introduced the nominee and Mr. Hughes made a brief address.

Both Later Talk
Colonel Roosevelt and Mr. Taft were introduced by Mr. Root and each responded by a short talk.

ANOTHER ZEPPELIN FALLS NEAR LONDON

BERLIN, via London, Oct. 3.—(11:02 p. m.)—With reference to the air raid on London and the east coast of England, the following brief official announcement was issued this afternoon:

"During Sunday night several naval airships threw bombs on London and military works on the Humber. Despite the heavy firing by anti-aircraft guns all the airships returned except one which was hit and set fire to and fell near London."

GERMANS BATTER IN VAIN AGAINST RUSSIAN STRONGHOLD

(By Review Leased Wire.)

LONDON, Oct. 3.—Violent fighting in which the Teutons launched seventeen unsuccessful attacks, is progressing in Russia west of Lutsk and in Galicia, with little progress for either Germans or Russians.

Fearing envelopment by the Rumanians who crossed into Bulgaria, Field Marshall von Mackensen is reported evacuating Dobrudja fortress of Silistria and Turtukal. Other reports say only a few Rumanian battalions effected the crossing, and that their pontoons were destroyed by German monitors, immediately after they crossed the river.

Rumanians continue to gain against Austro-Germans in Transylvania. Paris reports the capture of an important trench north of Rancourt, while rain is interfering with British progress.

4 Dead In Cleveland As Bridge Goes Down Under Colliding Cars

Failing Brakes Plunge Wild Car Into Another on Bridge and All Are Hurlled Down Upon Railway Track 30 Feet Below, Carrying Sixty Passengers, Scores of Whom Are Reported Injured.

CLEVELAND, Oct. 3.—Four bodies have been recovered, several other dead are believed to be in the wreckage and more than 30 are in hospitals as the toll of a bridge tragedy here early this evening when two street cars collided on the West Third Street bridge, causing it to collapse and precipitated the cars 30 feet to the Baltimore and Ohio Railroad tracks below. There were 40 persons on one car and 20 on the other.

The accident occurred when a south bound Scranton road car carrying a crowd of women shoppers home at the rush hour, broke away from the motor-man on a hill approaching the bridge and tore down upon the north approach to the bridge just as a north bound car reached the same point. The railway car jumped the track and struck the north bound car. The combined weight of the two cars and the shock of the collision of the two broke the wooden bridge which gave way.

Hundreds within earshot of the scene heard the shrieks and cries of pain and terror as the cars carried their burden, for the most part women, to death or injury.

30 Injured; Many Fatally.
The work of rescue began at once. Those who had not been seriously injured extricated themselves and then gave aid to those less fortunate. It was not long until 30 had been taken out and carried to hospitals. Some probably are fatally injured.

Bridge Is Ancient.
The portion of the bridge which fell is just north of the river. It is 25 years old. The main part of the structure was washed away in the 1912 flood and was replaced the same year by another wooden bridge bought in Detroit and brought here.

Investigation Ordered.
Mayor Harry L. Davis and Public Utilities Director Thomas S. Farrell rushed to the scene and promised to conduct a strict inquiry in an effort to place responsibility for the disaster.

Motorman H. T. Daniel. of the south bound runaway car, escaped serious injury, but his conductor is dead. He declared the brake of his car failed to work as the car dashed down the hill, out upon the bridge, jumped the track and crashed into the other car, with him unable to stop its progress. "I felt the bridge tremble when the cars came together and both cars fell with the bridge," said Daniel.

Car Mashed Flat.
The southbound car was smashed flat by the force of the crash. There is no part of its framework left intact. The northbound car was badly damaged but portions of it remain so that it can readily be distinguished in the wreckage.

A delivery wagon, manned by a driver, which was on the collapsed portion of the bridge, also went down with the structure. The fate of the driver cannot be learned.

Fat Fee For "Umps"
The commission also dismissed the proposal to alternate the games between the contending cities. The selection of umpires was delayed until after the outcome of the National league race was definitely known. It is probable that the two American and two National league arbiters who will work in the series for a fee of \$1,000 each, will be named tomorrow.

Taylor Scorekeeper
J. G. Taylor of St. Louis was named as the official scorer for the National commission and the Baseball Writers Association chapters of Boston and Brooklyn were given the right to nominate one member in each city to act as second official scorer in his home city. The visiting scorer will not act in an official capacity while away from home.

After naming the list of eligible players of the clubs and announcing that the commission would meet for further business at 3 p. m. in Boston on Friday, October 6, the conference adjourned to attend the game in which Brooklyn captured the National league pennant after one of the closest and most exciting races in the history of the league.

GREEK CABINET QUILTS

VENIZELOS SHOWS STRENGTH
ATHENS, Oct. 3.—(via London).—The resignations of all the cabinet ministers except the premier, Nikolaos Kalogeropoulos and the minister of foreign affairs, Alexander Carapanos, now are in the hands of the king. The cabinet probably will be arranged so that several supporters of M. Venizelos, the former premier, will hold portfolios. Orders have been issued to the royalist papers to cease attacking M. Venizelos.
